

## JCCV remembers Anton Hermann

**The JCCV mourns the tragic passing of our Vice President, Anton Herman. A strong advocate for promoting Jewish values, assisting those most vulnerable and improving dialogue across diverse cultural groups, he was a quiet achiever of the highest integrity.**

As Vice President of JCCV from 2014-2019, heading the Governance and Fundraising Portfolios, he helped guide the Executive through his legal and communal experience, with compassion, understanding and vision of both long- and short-term goals.

Anton's sense of community responsibility and insightful approach positively impacted Zionism Victoria, Zionist Federation Australia, Executive Council of Australian Jewry, Maccabi as well as his friends at Jewish Community Council Victoria.

Our valued dear friend and mentor, Anton, will always be remembered by his colleagues and friends. Our thoughts are with his loving family, wife Karen, children, Joel, Ella and Tahlia, his mother Doreen and brother, Larry Hermann.
